## Invisible Collection TriBeCa

In the vibrant Downtown neighborhood, design enthusiasts will discover two exclusive residences that embody Invisible Collection's signature French aesthetic. Set against the raw backdrop of surrounding industrial architecture, the interiors offer a striking contrast with their ultrasophisticated décor. The Penthouse, with sweeping views of South Manhattan, and the expansive Europa Suite both feature a refined curation of contemporary collectibles, handcrafted by Europe's finest artisans. Site-specific artworks and objets d'art complete the scene, creating an elegant, immersive atmosphere that feels like a true collector's home.
