### 2\_BREAKING THE MOULD

For her debut furniture collection, 'Bold', French designer Milena Denis Polania called on local artisans Les Ateliers Selaneuf to bring her vision to life using a special moulded leather technique. [kolbuzze.fr](http://kolbuzze.fr)

### 3\_SUNNY OUTLOOK

Inspired by the healing powers of light, New York designer Christina Z. Antonio's 'Helios' collection features a precious combination of materials, including silk, alpaca, bonded leather, handblown glass and neon. [christinazantonio.com](http://christinazantonio.com)

### 5\_SPARKING JOY

An artful fusion of genre, print and pattern, Laura Gonzalez's eclectic collection of furniture for The Invisible Collection includes the 'Pondichéry' chair which was inspired by painted Indian pieces from the late 19th century. [theinvisiblecollection.com](http://theinvisiblecollection.com)

### 6\_FRESHLY MINTED

Designed by Jonas Wagell for Tacchini, the 'Julep' collection is characterised by the exaggerated curved forms influenced by the 1950s avant-garde movement and its simplicity and grandeur. [stylecraft.com.au](http://stylecraft.com.au)
